**VISION:** Making our lake community a destination for work, home and play

Greetings from the Muskego Area Chamber of Commerce,

Thank you for considering membership with the Chamber of Commerce. The Chamber Staff or our Ambassador Team are available to discuss the benefits and pricing. The Muskego Chamber of Commerce is dedicated to fostering a positive relationship between local businesses, community members, city officials, school district, and other local organizations. Chamber membership offers important business updates, networking and volunteer opportunities, business exposure, workforce development opportunities, educational meetings, and connections with citizens during community events. Our marketing plan includes highlighting members through community events, the Chamber's marketing platforms (printed and online), and digital/social media. With approximately 250 members across the Muskego, Big Bend, Town of Norway, and Wind Lake area, there are opportunities for your business to make both business to business and business to consumer connections.
